Thanks Catherine. This is one of those damned if you do, damned if you don't.

I say this because the Observatory and Los Feliz will face its own challenges with huge crowds and vehicle traffic.

I will ask staff to pass out the flyer, but will periodically check in with conditions at the Observatory.

I'm going to tour the area today at 1 pm. I'll let you know how things are.

Merry Christmas,  
Joe [REDACTED]

Hello all. I just drove up Ledgewood (coming from Beachwood). As all of us are aware, as you come up to the 2nd intersection with multiple turning options, there are signs blocking 1/2 of the entry to the 2 streets on the right. This has always been troublesome to those of us in Lake Hollywood as it creates a "funnel" of cars to Lake Hollywood/the illegal Vista - overwhelming our neighborhood with tourists, congestion and the associated safety risks.
